

UNIQUE
NEW APP

An EU Comparison of 2021-2022 Academic Publication Output and its Citation Impact

Section 1: by Countries Show options

Section 2: by Fields Hide options

Countries

Austria x Belgium x Denmark x Finland x
France x Germany x Greece x Ireland x Italy x
Netherlands x Portugal x Spain x Sweden x
United Kingdom x CEE (All) x

Field type

FORD

Field

Biological sciences

JCR release

2022 (ESCI excl.)

Filters for Articles

All

Adjustment of citations and articles counts

Per 10 million inhabitants

Filters for Citations

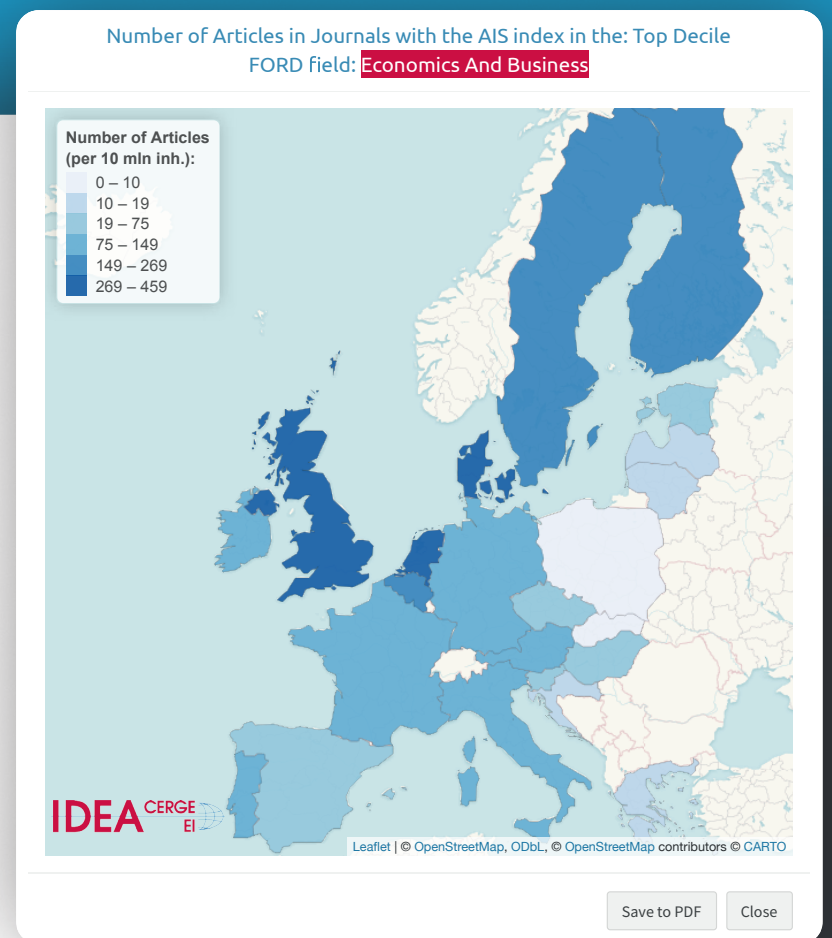

☐ Exclude author self-citations
☐ Exclude citations in the author's country

Show extra graphs

☒ Productivity by journal influence
☒ Counts of authors specialized in a field

How to use the app?

Webinar Webinář

UNIQUE FIELD-SPECIFIC COMPARATIVE INSIGHTS INTO:

- **Numbers** of publishing researchers
- Publication **performance** by research influence
- Publication **productivity** by research influence
- Citation **attraction** by the research importance of the citing source
